2025 LOCAL GOVERNMENT ELECTIONS
11 OCTOBER 2025

→ WHAT DOES A REGIONAL COUNCIL DO?

While district councils are responsible for a wide range of local services in your area, the role and responsibilities of the Regional Council involve managing the region's natural resources. The Northland Regional Council manages land, air, coast and the quality of water in our lakes and rivers. They are also responsible for biodiversity, flood protection, emergency management and regional transport. The Regional Council works closely with district councils and other agencies on some issues, to ensure they are managed to benefit the entire region.

→ BACKGROUND

Local government triennial elections are being held by postal vote on Saturday 11 October 2025 and will be undertaken by Election Services, under contract to Northland Regional Council.

The elections are undertaken on behalf of the regional council by its three constituent territorial authorities (Far North District Council, Whangārei District Council and Kaipara District Council). In addition to their own elections (Mayor, Council etc), each constituent territorial authority is also required to undertake regional council elections.

The first past the post (FPP) electoral system will be used by the Northland Regional Council and Kaipara District Council elections. Whangārei District Council and Far North District Council use the single transferable voting (STV) electoral system.
