

BIOSECURITY PARTNERSHIPS PEST CONTROL SUPPLIER PANEL

Northland Regional Council is establishing a Biosecurity Partnerships Pest Control Supplier Panel for the 2026–27 financial year.

We invite experienced pest control suppliers from across Northland to register their interest to be considered for annual pest control contracts that support community led conservation projects.

The supplier panel will be used by NRC's Biosecurity Partnerships team to source pest control services for work across:

- Community Pest Control Areas (CPCA)
- High Value Areas (HVA)

Information about the supplier panel including the Request for Proposal (RFP) document which outlines the scope of work, evaluation criteria, and information required, is available on our website –

www.nrc.govt.nz/supplierpanel

Deadlines for proposals: 21 June 2026.

For more information, please contact Dai Morgan, Biosecurity Manager – Partnerships 0800 002 004 or daim@nrc.govt.nz
